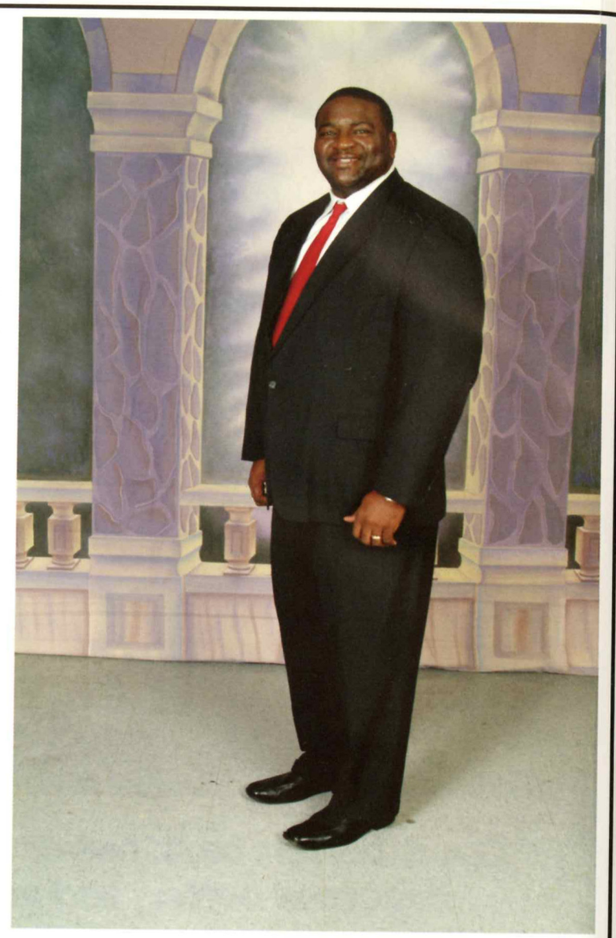
Dear Students,

Greetings to all who have ventured through Tiger Country! I am delighted and so thankful to be the principal of Moss Point High School. This school embodies so many traditions. A principal's vision for the school must be bold, daring, and challenging. It must be uplifting and motivational, but above all, it must be shared.



As principal, I must communicate commitment through presence by going to football games, basketball, baseball, etc. It is important to always meet and greet your staff, student body, and parents with a smile. I consider myself a father figure for eight hours a day. It is my duty to provide every young man and young woman with a quality education and a safe and orderly environment that is conducive to learning.

I take this opportunity to express my confidence in each of you. I know your dreams for yourselves and our school. Therefore, I look to the future with hope and expectancy. I believe in you. I respect you, and I love you. Today, I stand here grateful for having shared this year with you. May God bless and protect you, for you are special people. You are, in every sense of the word, better than the best!

Sincerely,
Spurgeon Banyard, Ph. D.

ADMINISTRATION

"Leadership and learning are indispensable to each other"

–John Fitzgerald Kennedy

Without leadership, there can be no education. Just as it is the students responsibility to manage his or her own daily tasks by going to class, being on time, studying for tests, so too is it the responsibility of every teacher to lead his or her class into the world of learning and knowledge. The teachers themselves have their own guides, and those leaders are the school and district administrators. Moss Point High School prides itself in its ability to attract and retain quality teachers. Those in charge of this challenging mission are Superintendent Lt. Col. Kim Staley, Assistant Superintendent Janice Thomas, M. Ed., Principal Spurgeon Banyard, Ph. D., Assistant Principal Lajuana Payton, M. Ed., and Assistant Principal Durand Payton, M. Ed.

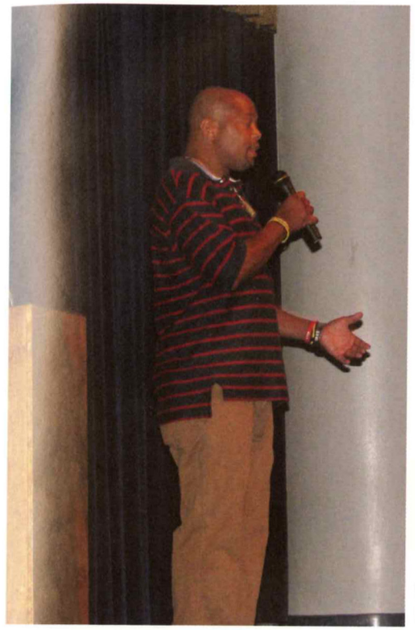
Breast Cancer Awareness

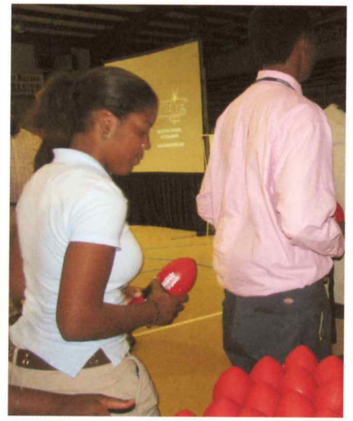
Breast cancer is the most common cancer in women in the United States, aside from skin cancer. According to the American Cancer Society (ACS), an estimated 192,370 new cases of invasive breast cancer are expected to be diagnosed among women in the United States this year. Over 40,000 women are expected to die from the disease in 2011 alone. Today, there are about 2.5 million breast cancer survivors living in the United States.

Breast Cancer awareness month occurs every year in October. Millions of people participated in the event in 2010, and the students of Moss Point High School rose to the occasion and joined their fellow Americans in the mission to raise awareness of the importance of women's health. As a show of solidarity, hundreds of Moss Point students showed up to school one Friday wearing pink. It drew a great deal of participation this year, and the 2011-2012 school year is expected to be no different. It was a wonderful way to let our good become better, and our better become best!

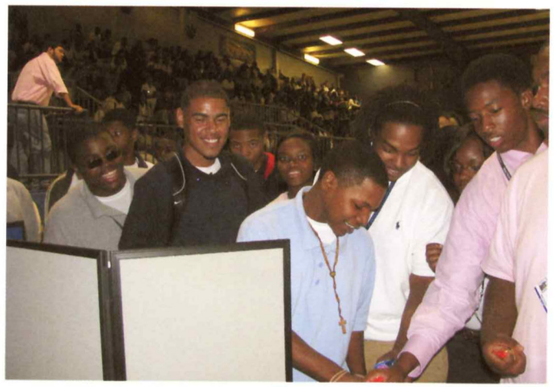
The Save a Life Tour



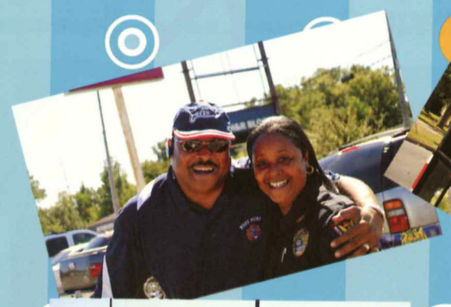
Texting and Driving...
A recipe For
DISASTER!!!



Vehicle and driver safety is a major concern for the parents of Moss Point High School students. In additon to drinking and driving, 21st century technology poses new temptations for young drivers. In the Fall semester of 2010, the Moss Point School District and State Farm Insurance held a "Save a Life Tour." The event focused on the critical dangers facing youngsters in the information age.



HOMECOMING



PARADE

AND THE CROWD GOES WILD! YOU GO

Moss Point High School students, parents, teachers, and alumni gathered to support their football team as they tackled West Harrison County High School this year at the 2010 MPHS annual homecoming game. MPHS homecoming is a tradition that goes back decades. The great Homecoming game is preceded by a five-day "Spirit Week," a time when students get the opportunity to express themselves in special ways. Students donned their ugliest clothes for "Tacky day." They dressed up like Steve Urkel on "Nerd Day." They supported their favorite sports teams with "Jersey Day." They showed-off their university favorites for "College Day" when they wore shirts supporting their prized institutions of higher learning. Last, but not least, they celebrated "Spirit Day," a time when they wore clothes for the sole purpose of revving-up their football team for the nights homecoming game. Even MPHS teachers joined-in during the week of fun. The spirit days culminated in a huge homecoming parade through downtown Moss Point, preceding a colossal clash of some of South Mississippi's most terrific football talent. The Moss Point VS West Harrison High School Homecoming Football game kicked-off at 7 pm on Friday, October 8th, 2010. The Moss High School team easily won the game, making this year's homecoming a happy one.

HOMECOMING 2010!

Mariah Wells, The Queen

it's your night

Mariah Wells, pictured with her escort Jacob McInnis, looked stunning as she was crowned the MPHS Homecoming Queen 2010.

"I felt such a great sense of accomplishment. It was such a great honor to be elected by my peers," Ms. Wells said.

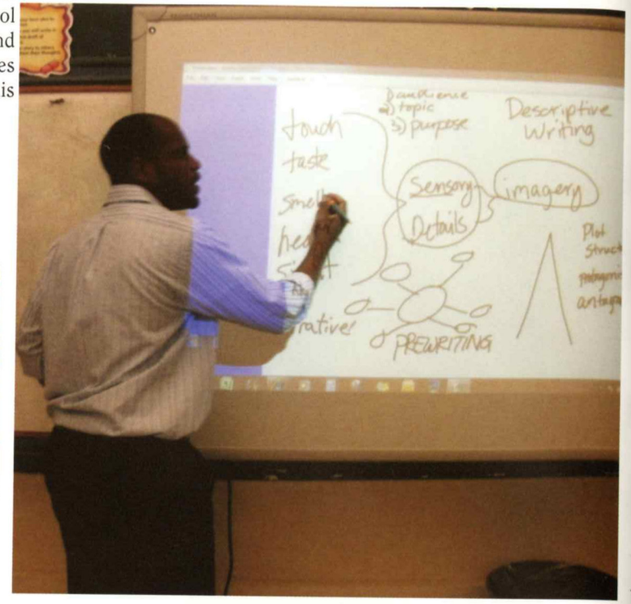
Technology

Moss Point High School boasts the most advanced educational technology on the entire Gulf Coast. This is all due to district leaders promoting the importance of technology as a tool in the education of the youth of the 21st Century.

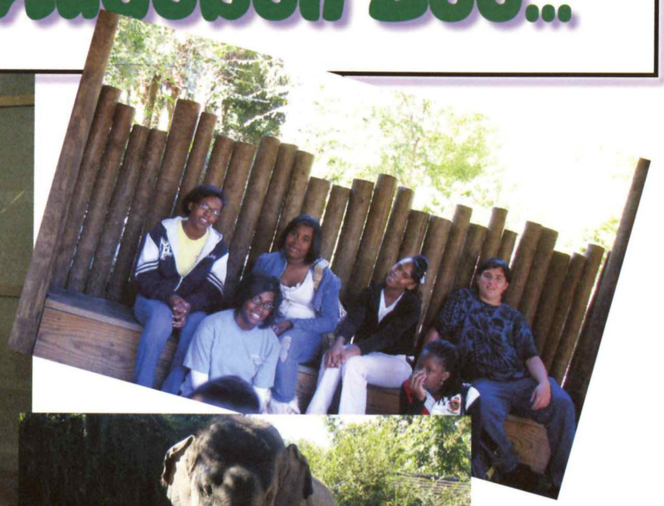
No longer are classrooms made up of a blackboard, paper and pencils. Teachers are encouraged to involve students in the learning process. In fact, some teachers believe that they learn more about technology from students than the teachers themselves could learn in many college classrooms!

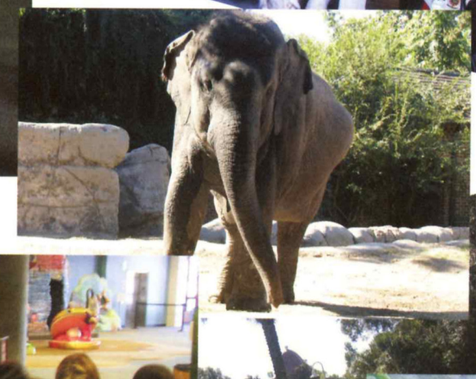
With the help of the community, the administration, the teachers, and the students, the Moss Point School District will continue to strive to stay on top of the latest technological advances.

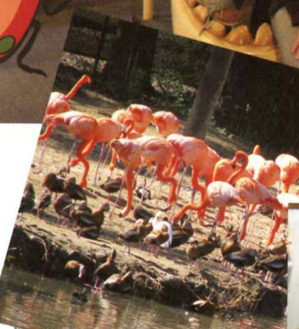
Mr. Kenneth Holloway has been teaching at Moss Point High School for two years now, and he always incorporates technology in his classroom.

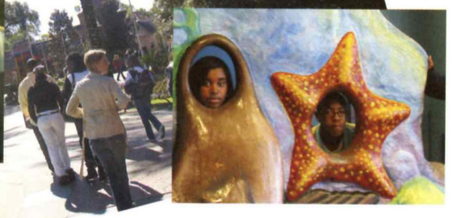


Way Down South in the Audobon Zoo...









High school students and staff went to New Orleans, Louisiana and explored one of the largest zoos in the United States. The Audobon Zoo boasts one of the most diverse collections of animals in the world. The zoo is all a part of the Audobon Nature Institute. The Institute includes the Aquarium of the Americas and the Audobon Insectarium. All of these sites are located in the heart of the Crescent City.

they all asked for YOU!

MR. AND MISS MOSS POINT

Reginald Mathews and Nikara Henry

After hundreds of votes were counted from morning voting on November 18th, 2010, all of the students of Moss Point High School chose seniors Reggie Mathews and Nikara Henry to represent them as the 2010-2011 Mr. and Miss. Moss Point High School.

Mr. MPHS Reggie Mathews, 18, is the son of Bennie and Katina Curry. He is a star athlete and plans to major in chemical engineering after his graduation in May.

"I was so surprised when it was announced that I won. There was so much stiff competition to go up against," Mathews said.

Moss Point School District Athletic Director and Mr. Moss Point 1991 Lewis Sims said, "It is a great honor to be chosen as Mr. Moss Point for your graduation year. Representing your school in all areas of life is a challenge that follows you for a lifetime. No matter what you do or where you go, your classmates will always hold you to standard of excellence that will push you to succeed and represent your class to the best of your ability. "

Mathews' parents were elated when they found out the news of their son's election. "I am very proud of him. He is a smart and intelligent young man. And I am so proud of how he carried himself," said Ms. Katina Curry, Reggie Mathews' mother.

Reggie Mathews and Nikara Henry, as well as all of their competitors, participated in the Mr. and Miss. MPHS Gala at 6:00 p.m. on November 18th in the MPHS auditorium. The event had beauty, talent, and question-and-answer components.

Miss. MPHS Nikara Henry, 17, is the daughter of Aaron and Robin Henry. She is a senior and plans to major in Early Childhood Development at Jackson State next year after she graduates.

"I thought all of the other girls were beautiful and talented. The pressure was definitely on," Henry said.

"[Nikara] is a very independent person. She is not easily persuaded to do the wrong thing. She believes in completing what she started and in not giving up, " said Ms. Robin Henry, Nikara Henry's mother. "She always keeps her spirits up."

Mrs. Kathy Murray, Miss Moss Point 1961 commented, "I was Miss MPHS in 1961. At the time, I was excited, honored and humbled by this coveted title. I appreciated then and now the fact that my peers would bestow such an honor on me."

The Growler Yearbook sponsors the Mr. and Miss Moss Point High School competition every year.

Psalm 27:4-5
One thing I ask of the LORD, this is what I seek: that I may dwell in the house of the LORD all the days of my life, to gaze upon the beauty of the LORD and to seek him in his temple. For in the day of trouble he will keep me safe in his dwelling; he will hide me in the shelter of his tabernacle and set me high upon a rock.

Hats

Self-expression is always in fashion and the right hat makes it easy to add panache (and hide a bad hair day). All you need is a cute fedora or a jaunty newsboy cap.

Military Jacket

There's nothing olive drab about this trend. Military jackets are snappy, sleek and chic — a far cry from the oversized Army surplus look of yesteryear.

Energy Drinks

Energy drinks are the beverage of choice among sleep-deprived students, despite concerns that they contain unhealthy levels of sugar and caffeine.
